FORM #LUGOPT - 2017 (04/17)

LL-3/5-0

CELLULAR TELEPHONE PROTECTION

Cell phones have become an everyday necessity for the average person, which means if Your cell phone is damaged or stolen, getting it repaired or replaced is not optional.

Fortunately, Cellular Telephone Protection is available which provides coverage for damage to, theft of, or involuntary and accidental parting of Your cell phone. An involuntary and accidental parting is the unintended separation from Your cell phone when its location is known, but recovery is impractical to complete. This benefit is available if You are a valid cardholder of an eligible U.S. issued card enrolled in the Cellular Telephone Protection benefit and You charge Your monthly cellular wireless phone bills to Your eligible card for the billing cycle before the month in which the incident occurs. Eligible cell phones are the lines listed on Your most recent cellular wireless service provider’s (“cell phone provider”) monthly billing statement for the billing cycle prior to when the incident occurred.

What is covered?

This benefit is supplemental coverage, which means that it will reimburse You for theft of, damage to or involuntary and accidental parting of Your cell phone not otherwise covered by another insurance policy (for example; cell phone insurance programs, or Your homeowner’s, renter’s, automobile, or employer’s insurance policies).

If You **do** have personal insurance that covers theft, damage or involuntary and accidental parting for Your cell phone, this benefit reimburses You for the deductible portion of Your cell phone insurance.

If You **do not** have personal insurance, the benefit reimburses You for the covered theft, damage, or involuntary and accidental parting for Your cell phone.

Once all other insurance has been exhausted, Cellular Telephone Protection will provide coverage up to \$500 per claim with a maximum of two (2) claims and \$500 per twelve (12) month period. If it is determined that Your cell phone requires replacement due to the theft of, damage to or an involuntary or accidental parting of the device, You will receive the replacement value subject to the fifty dollar (\$50.00) deductible and the benefit maximum. The replacement value is the lesser of Your cellular wireless service provider’s suggested retail value of a similar model replacement cell phone or the actual cost to replace the cell phone.

If Your cell phone is repairable, You will receive an amount as determined by the diagnostic to repair the cell phone subject to the benefit maximum and fifty-dollar (\$50.00) deductible.

Note: Electronic issues, such as inability to charge, mechanical or battery failure, where there is no evidence of physical damage, are not covered under this program.

When does it apply?

Cellular Telephone Protection applies when You make Your monthly cellular wireless phone bill payment with Your eligible card. Coverage begins the first day of the calendar month following a payment of the cellular wireless phone bill.

If You fail to make a cellular wireless phone bill payment in a particular month, Your coverage will be suspended. Coverage will resume on the first day of the calendar month after the date of any future cellular wireless phone bill payment made with the eligible card.

If Your cell phone is stolen as a result of criminal activity, You must file a police report within forty-eight (48) hours of the event.

What is not covered?

This benefit will not provide reimbursement for the following:

- Cell phone accessories other than standard battery and/or standard antenna provided by the manufacturer
- Cell phones purchased for resale, professional, or commercial use
- Cell phones that are lost or “mysteriously disappear,” meaning that the phone vanished in an unexplained manner without evidence of a wrongful act by a person or persons
- Cell phones under the care and control of a common carrier (including, but not limited to, the U.S. Postal Service, airplanes, or delivery service)
- Cell phones stolen from baggage unless hand-carried and under Your personal supervision, or under supervision of Your traveling companion
- Cell phones which have been rented, borrowed or are part of pre-paid or “pay as you go” type plans
- Cosmetic damage to the cell phone or damage that does not impact the cell phone’s capabilities and functionalities
- Damage or theft resulting from abuse, intentional acts, fraud, hostilities of any kind (including, but not limited to, war, invasion, rebellion, or insurrection), confiscation by the authorities, risks of contraband, illegal activities, normal wear and tear, flood, earthquake, radioactive contamination, or damage from inherent product defects
- Damage or theft resulting from misdelivery or voluntary parting with the cell phone
- Taxes, delivery and transportation charges, and any fees associated with the cellular wireless service provider
- Losses caused by or resulting from a Cyber Incident

The Benefit Administrator will ask You some preliminary questions and send You the appropriate claim form. **Please note, if you do not notify the Benefit Administrator within sixty (60) days after the damage or theft, Your claim may be denied.**

If the cell phone is damaged, do not discard it until the claim has been fully reviewed.

How will I be reimbursed?

Depending on the nature and circumstances of Your claim, the Benefit Administrator may choose to repair or replace Your cell phone or reimburse You for the lesser of:

- Up to \$500 after the fifty dollar (\$50.00) deductible has been applied to the replacement or repair cost; or
- The current cellular wireless service provider’s suggested retail value of a similar model replacement cell phone, or the actual cost to replace it, whichever is lower (not including taxes, delivery and transportation charges or fees associated with the cellular wireless service provider), less your fifty dollar (\$50.00) deductible.
- If Your cell phone is repairable, You will receive an amount as determined by the diagnostic to repair the cell phone less Your fifty dollar (\$50.00) deductible.

PORCH PIRACY PROTECTION

You’ve made the ultimate purchase and have received notification that Your package was delivered, but when You get home Your porch is empty. You don’t get frustrated, because You bought the item with Your eligible card so You may be covered with Porch Piracy Protection.

Porch Piracy Protection eligibility and coverage

Porch Piracy Protection guards against the theft of eligible items of personal property purchased with Your Account and/or rewards programs associated with Your Account within the first ninety (90) days from the date of purchase. In the event of theft, this benefit reimburses You up to the total purchase price of Your item for a maximum of one thousand dollars (\$1,000.00) per claim and ten thousand dollars (\$10,000.00) per cardholder.

You are eligible for this benefit if You are the cardholder of an eligible card issued in the United States and You purchase either a portion or the entire cost of the item using Your Account and/or rewards programs associated with Your eligible Account.

Purchases made outside the United States and gifts purchased for others may also be covered if they are purchased with Your Account and/or rewards programs associated with Your eligible Account.

Porch Piracy Protection does not cover:

- Animals and living plants
- Antiques or collectible items
- Boats, aircraft, automobiles, and any other motorized vehicles and their motors, equipment, or accessories, including trailers and other items towable or attachable to any motorized vehicle
- Computer software

- Items that are lost, or that “mysteriously disappear,” meaning they vanished in an unexplained manner, with no evidence of wrongdoing by one person or several
- Items under the control and care of a common carrier (such as the U.S. Postal Service, airplanes, or a delivery service); this exclusion does not apply once the item has been reported by the common carrier or store as delivered

- Items in Your baggage (unless hand carried, or under Your supervision or that of a companion You know); includes jewelry and watches, among other things

How to file a Porch Piracy Protection claim

Call the Benefit Administrator at 1-800-628-8472 within sixty (60) days of the theft (if You wait longer, coverage may be denied). The Benefit Administrator will ask for some preliminary claim information, answer Your questions and send You a claim form. When You submit Your claim, be sure to include all information regarding Your claim including the time, place, cause and the amount to replace the item.

If the purchase was stolen from the delivery location, You are required to file a claim with the common carrier and/or retailer. If You have insurance (homeowner's, renter's, car, employer or any other), You are required to file a claim with Your insurance company. You are required to submit a copy of any claim settlement along with Your claim form. Porch Piracy Protection provides coverage on an "excess" coverage basis, meaning it does not duplicate coverage, but pays for a loss only after valid and collectible insurance or indemnity (including, but not limited to, homeowner's, renter's, automobile, or employer's insurance policies), and compensation from the retailer and/or common carrier has been exhausted. At that point, Porch Piracy Protection will cover the loss up to the amount charged to Your eligible Account, subject to the terms, exclusions, and limits of liability of the benefit.

This benefit also pays for the outstanding deductible portion of Your insurance or indemnity for eligible claims. The maximum total limit of liability is up to one thousand dollars (\$1,000.00) per claim occurrence and ten thousand dollars (\$10,000.00) per cardholder. You will receive no more than the purchase price as recorded on the eligible card receipt.

When a protected item is part of a pair or set, You will receive no more than the value (as described above) of the particular part or parts, regardless of any special value that item may have as part of such a pair or set, and no more than the proportionate part of an aggregate purchase price of such pair or set.

For faster filing, or to learn more about Porch Piracy Protection, visit www.cardbenefitservices.com

Gift recipients may file their own claims, if they have the necessary substantiating documents.

What You must submit to file a claim

- Your signed and completed claim form
- A copy of Your monthly billing Account statement (showing the last four [4] digits of the Account number) demonstrating that the purchase was made on Your Account
- If more than one method of payment was used, please provide documentation as to additional currency, voucher, points or any other payment method utilized
- A copy of the itemized store receipt demonstrating that the purchase was made on Your Account
- A copy of the delivery confirmation (if applicable)
- Copy of the documentation of any other settlement of the loss (if applicable)
- Copy of the police report or claim filed with the retailer and/or common carrier (**made within forty-eight [48] hours of the occurrence in the case of theft**); If the loss was not reported, please provide a replacement receipt or other sufficient proof of loss deemed eligible solely by Your Benefits Specialist (if applicable)
- Any other documents necessary to substantiate Your claim

PLEASE NOTE: Your maximum recovery under the Porch Piracy Protection Benefit is the purchase price of the item, not to exceed the coverage limit.

Please return Your signed and completed claim form with all documentation within ninety (90) days of the date of theft.

How You will be reimbursed

Once You've met the conditions of this benefit, You may receive payment to replace Your item, an amount not more than the original purchase price, less shipping and handling charges, up to one thousand dollars (\$1,000.00) per claim and ten thousand dollars (\$10,000.00) per cardholder.
